## ABRASIVES

### CARBORUNDUM

*Tool Room Wheels & Coated Abrasives*

### CAMEL GRINDING WHEELS

*Bonded Grinding Wheels*

### CINCINNATI TYROLIT / RADIAC / PACIFIC / BATES

*Grinding Wheels - Vitrified, MSB, Diamond, CBN*

*Cut-Off Wheels & Coated Abrasives*

### EDMAR ABRASIVES

*Abrasive Cut-Off Wheels*

### SUPERIOR ABRASIVES

*Sanding Belts, Discs, & Deburring Wheels*

### UNITED ABRASIVES

*Grinding Wheels, Wire Wheels, Sanding Discs & Belts*

### VSM ABRASIVE CORPORATION

*Premium Sanding Belts & Discs*

## DIE & STAMPING

### LAMINA

*Die Supplies*

### MOELLER

*Punches*

### PIVOT PUNCH

*Punches*

### STANDARD DIE

*Die Sets*

## FILTRATION SYSTEMS

### EBBCO

*Coolant & Oil Cleaning and Reclamation Systems, Water Deionization and R/O Systems, Closed Loop, Garnet Removal & Chiller Systems, Setting Weirs & Related Consumables*

### FREDDI / ECO VAC

*Sump Cleaner*

### KELLER PRODUCTS

*Coalescers*

### TANIS

*Industrial Air Filtration Systems*

### TURBO SYSTEMS

*Coalescers*

### ZEBRA SKIMMER

*Tramp Oil Removal Systems*

## FLUID MANAGEMENT

### ACCU-LUBE

*Lubricating Systems & Fluids*

### BLASER SWISSLUBE

*High Performance Machining Fluids and Cutting Oils, Way Oils, Refractometers, & Coolant Mixers*

### EBBCO

*Coolant and Oil Cleaning and Reclamation Systems, Deionization and R/O Systems*

### GENERAL OIL

*Hydraulic & Way Lube Oils*

### GRAYMILLS

*Coolant Pumping Systems*

### SYNTHETIC LUBRICANTS

*Coolants for Sawing, Tapping, Drilling, Milling & Grinding*

### UNIST

*Lubricating Systems & Fluids*

## INDEXABLE TOOLING / INSERTS

### ALLIED MACHINE

*Indexable Drills*

### CIRCLE MACHINE

*Indexable Carbide Tooling*

### EVEREDE TOOL

*Solid Carbide & HSS Indexable Boring Bars*

### HORIZON

*Threading & Grooving Tools*

### HORN USA \*

*Precision Cut-off & Grooving Tools*

### K-TOOL

*Indexable Milling Tools*

### KENAMETAL

*Turning & Milling Tools & Inserts*

### KOMET

*Indexable Drills & Boring Tools*

### MANCHESTER

*Cut-Off & Grooving Tools*

### MITSUBISHI CARBIDE

*Indexable Carbide Tooling - Milling, Drilling & Turning*

### RTW

*Standard Turning & Milling Tools & Inserts*

### SUMITOMO ELECTRIC

*Indexable Carbide Tooling - Milling, Drilling & Turning*

### TUNGALOY \*

*Indexable Carbide Tooling - Milling, Drilling & Turning*

### WIDIA

*Indexable Milling & Turning Tools, Threading & Grooving Inserts*

## BANDSAW BLADES

### AMADA

*Bandsaw Blades - Bi-Metal & Carbide Tipped*

### LENOX \*

*Bandsaw Blades - Bi-Metal, Carbide Tipped, Carbon*

### M.K. MORSE

*Bandsaw Blades - Bi-Metal, Carbon & Wood Sawing*

### BAHCO

*Bandsaw Blades - Bi-Metal & Carbide Tipped*

### STERLING DIAMOND

*Bandsaw Blades - Bi-Metal, Carbon & Carbide Tipped*

## CUTTING TOOLS

### ALVORD POLK

*Reamers*

### EMUGE

*High Performance Taps & Thread Mills*

### GREENFIELD / CLEVELAND TWIST DRILL

*Drills, Taps, Endmills, Cutters, Die Heads, Chasers & Rolls, Gages*

### HANITA \*

*High Performance Carbide Endmills*

### HANNIBAL CARBIDE

*Carbide Tipped Reamers*

### KEO CUTTERS

*Keyseat Cutters, Spotting & Centering Drills*

### KOMET / DIHART

*High Performance Carbide Reamers*

### M.A. FORD

*Standard and Special Solid Carbide Drills & Endmills*

### MICRO 100

*Solid Carbide & HSS Cutting Tools*

### MITSUBISHI CARBIDE

*High Performance Solid Carbide Drills & Endmills*

### MORSE CUTTING TOOLS

*Carbide and HSS Drills, Endmills & Taps*

### NIAGARA

*Standard, Special, HSS and Solid Carbide Cutting Tools*

### ONSRUD CUTTER

*Production Routing Tools - HSS & Carbide*

### OSG \*

*High Performance Carbide Endmills*

### PRECISION / DORMER

*Standard, Special, Carbide and HSS Drills, Taps, Endmills, & Reamers*

### SUMITOMO ELECTRIC

*High Performance Drills*

### TITAN USA

*Carbide and HSS Drills, Taps, & Endmills*

### UNI-HYDRO

*Punches & Dies*

### UNION BUTTERFIELD

*Standard, Special, Carbide and HSS Drills, Taps, Endmills, & Reamers*

### WALTER PROTOTYP / TITEX

*High Performance Taps & Drills*

### YG-1

*Carbide and HSS Drills, Taps, & Endmills*

## INVENTORY MANAGEMENT SOLUTIONS

### CRIB MASTER

*Tool Vending Machines & Related Software*

### TOOL BOSS

*Tool Vending Machines & Related Software*

## MACHINERY

### AMADA

*Chip Compactors, Production Bandsaw & Rotary Cut-Off Machines, Circular Carbide Cut-Off Machines, & Plate Saw Machines*

### ANILAM / ACU-RITE

*Digital Readouts, CNC Controls for Lathes & Mills*

### ATS/SMW

*Rotary Tables, Bar Feeds, Pallet Changers, Air Chucks, Power Chucks & Steady Rests*

### BAILEIGH

*Tube and Pipe Benders, Ring Roll Benders, Plate Rolls / Slip Rolls, Press Brakes, Tube and Pipe Notchers, & Welding Positioners*

### BETENBENDER

*Hydraulic Shears & Press Brakes*

### BURR KING

*Belt Grinders & Vibratory Deburring Equipment*

### CLAUSING

*CNC Machining & Turning Centers, Mills, Drills, Bandsaws, Colchester & Harrison Lathes, both CNC & Manual*

### DAKE

*Presses, Bandsaws, & Coldsaws*

### EBBCO

*Coolant Cleaning, Reclamation Deionization & R/O Systems*

### ERCOLINA

*Roll Benders, CNC Roll Benders, Mandrel Tube Benders, CNC Mandrel Tube Benders, Mandreless Tube Benders & RAM Benders*

### EVERETT

*Abrasive Cut-Off Machines & Wheels*

### HECK INDUSTRIES

*Portable Plate Bevellers & Trace-A-Punch Nibblers*

### HOUGEN

*Rotabroach Mag Drills & Punch-Pro Units*

### HYD-MECH

*Vertical & Horizontal Bandsaw Machines - Manual & Automatic*

### HY-TROL

*Gravity Feed Rollers, Powered Rollers, Conveyor Tables & Ball Transfer Tables*

### KAISER

*Spindle Speeders*

### KALAMAZOO

*Belt Sanders, Cut-Off Machines, & Dust Collectors*

### KOOLANT KOOLERS

*Chillers*

### LAMAN

*Extractor Air Dyers, Refrigerated Air Dryers, Membrane Dryers, Drains & Valves, & Breathing Air Systems*

### LNS

*Bar Feeders, Pneumatic Chucks, Chip Conveyors, Automatic Steady Resets, Standalone High Pressure Coolant Systems & Oil and Mist Collectors*

### NSK

*Spindle Speeders*

### PHASE-A-MATIC

*Phase Converters*

### PROCUNIER

*Drilling & Tapping Machines*

### PRO-PEN

*Impact Marking Machines & Portable Benchtop Rotary*

### ROLL-IN SAW

*Tool Room Vertical Bandsaw Machines*

### ROSCAMAT

*Tapping Arms, Manual and CNC, Pneumatic, & Electric*

### SUGINO

*Drill & Tapping Units*

### SCHMALZ

*Vacuum Clamping Systems, Vacuum Handling Systems,*

### SCOTCHMAN

*Iron Workers, Hydraulic Cold Saws, AutoFeed Systems & Measuring Systems*

### STANDARD INDUSTRIAL

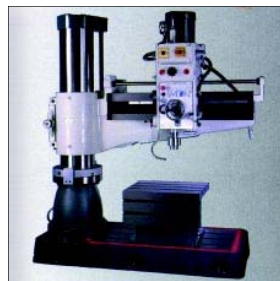

*Hydraulic Shears, Press Brakes and Presses & Press Brake Tooling*

### TANNEWITZ

*Tool Room, Friction & Wood Cutting Bandsaws*

### TENNSMITH

*Shears, Hand Brakes & Slip Rolls*

## MACHINERY (Continued)

### UNI-HYDRO

*Iron Workers (Large & Mid-Size) & Plate Shears*

### WELLSAW

*Horizontal & Vertical Metal Cutting Bandsaws*

### W.F. WELLS

*Horizontal Metal Cutting Bandsaw Machines*

### WILLIS MACHINERY

*Drills, Mills, & Lathes*

### WILTON / JET

*Metal, Wood, & Material Handling Machinery & Equipment, Saws, Mills, Drill Presses, & Lathes*

## MISCELLANEOUS

### CARTER PRODUCTS

*Guide Systems & Laser Line Light Systems*

### KENNEDY

*Tool Boxes / Cabinets*

### SIMMONDS

*Files*

### WUERTHNER BROTHERS

*Industrial Gloves*

## TOOLHOLDERS

### CENTAUR

*Precision Collet Systems, Collet Chucks, & V-Flange Tooling*

### COMMAND TOOLING SYSTEMS

*Precision V-Flange Toolholders*

### KAISER / BIG KAISER

*Precision Boring, Toolholding & Uni-Locking Fixturing*

### LYNDEX-NIKKEN

*Precision V-Flange Toolholders, HSK Holders, Milling Chucks & Tool Pre-Setters*

### PARLEC / BRISTOL

*Precision V-Flange Toolholders, HSK Holders, Milling Chucks & Live Tool Heads*

### SOWA

*V-Flange Toolholders*

### TECHNIKS

*V-Flange Toolholders*

## WATERJET MACHINES / PARTS / SUPPLIES

### ACCUSTREAM

*Waterjet Replacement Parts*

### EBBCO

*Closed Loop Water Cleansing & Deionization, Garnet Removal & Chiller Systems, Settling Wiers & Related Consumables*

### FLOW

*Waterjet Cutting Machines*

### GMA

*Bulk Garnet*

### INTERNATIONAL WATERJET PARTS

*Waterjet Replacement Parts*

### KMT

*Waterjet Cutting Machines*

### WGI HEAVY MINERALS

*Bulk Garnet*

## WORKHOLDING

### EARTH CHAIN

*Magnetic Workholding Devices*

### ENERPAC

*High-Force Work holding Products*

### KAISER / BIG KAISER

*Precision Boring, Toolholding & Uni-Locking Fixturing*

### KURT MANUFACTURING

*Machine Tool Fixturing, Vises & Power Draw Bars*

### SUBURBAN TOOLS

*Tombstones, Special Vising & Optical Comparators*

### TE-CO

*Machine Tool Fixturing & Vises*

AHB Tooling & Machinery, Inc. is an industrial distributor providing comprehensive metalworking solutions "at the spindle". With locations in Warren, Saginaw and Jackson, Michigan, we can provide a local presence and same day shipping capability throughout Michigan. AHB's field and internal sales staff are continuously trained in all technical areas in order to provide our customers with the latest in cost saving applications. We offer inventory management solutions including tool dispensing vending machines.

Our company size and the technical capabilities of our outside and inside account representatives allow us to provide individualized, value-added solutions to our customers' challenges. AHB guarantees to reduce your machining costs by offering you top quality products at competitive pricing. Use our online ordering feature or call us today for a no risk trial order. In order to serve you better, AHB Tooling & Machinery, Inc. has become ISO 9001:2000 registered. We believe that by obtaining ISO certification, it will make AHB a more effective company, and it will help us to provide your company with metalworking solutions that will impact your bottom line.

We look forward to serving you!
