

AHB HD Degreaser

Floor/Maintenance Cleaner

PRODUCT DESCRIPTION

AHB HD DEGREASER is a heavy duty floor and all-purpose maintenance cleaner. This high detergent, hard surface cleaner simultaneously cleans and deodorizes the most heavily soiled surfaces. The unique wetting properties of this cleaner enhances detergency and soil penetration. **AHB HD DEGREASER** is an excellent choice to remove the toughest oils, greases, and shop soils.

BENEFITS

- Exceptional wetting and rinsing properties
- Multifunctional – cleans and deodorizes
- Excellent soil suspending properties
- Stable over a wide range of temperatures
- Can use in scrubbers, spray, and steam guns
- Highly concentrated - economical
- Safe on plastic, glass, and ceramics
- Removes tire tracks, grease, carbon, ink marks, and other hard to remove substances

APPLICATIONS

- Floor scrubbers
- Steam guns
- Wipe down cleaning
- Spray bottle cleaning
- Mop and brush cleaning

DIRECTIONS FOR USE

AHB HD DEGREASER can be diluted with water at any temperature. For tough soils, increase the concentration and water temperature accordingly. Cleaning performance is influenced by the method of application, length of time cleaner is applied, temperature of water used, and soil composition.
