Professional Grade Ultrasonic Cleaning Systems

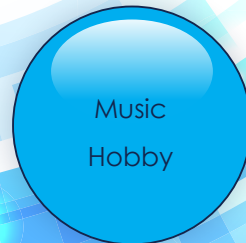

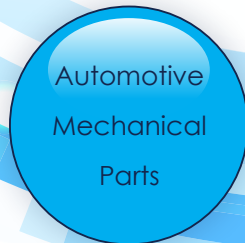

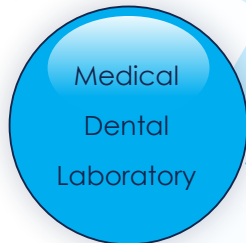

What are you cleaning?

High Value with World Class Quality

- ModuSweep™ Technology with temperature-controlled heating ensures uniform, consistent and complete cleaning power throughout the tank
- Durable stainless steel construction with leak-proof welded fittings and industrial-strength Langevin Transducers deliver years of superior performance
- Quick Degas feature enables faster turnaround for improved productivity
- UltraQuiet™ Technology ensures the only thing you'll notice is the brilliant end results
- Proudly designed, engineered and manufactured in the USA. Backed by a 2-year warranty, and ongoing customer service

All products meet Industry and Safety Standards

486 South Opdyke Road, Pontiac, Michigan 48341

Table Top Series

Professional Grade Ultrasonic Cleaning Systems

Superior Craftsmanship, Performance and Value

SharperTek is a trusted pioneer in ultrasonic cleaning technology and is committed to building superior craftsmanship, quality, performance and value into every product we manufacture – right here in the USA.

For over 15 years, SharperTek has delivered world class, custom ultrasonic cleaning systems designed to meet the diverse cleaning demands of industry and commerce professionals around the globe. A premier leader in single frequency ultrasonic cleaning technology, SharperTek now leads the field in both multi-frequency ultrasonic cleaning and ultrasonic sweep cleaning technology.

Featuring state-of-art digital controls, durable stainless steel construction and high-quality piezo elements, SharperTek ultrasonic systems are hard at work delivering industrial strength cleaning results across a wide range of applications:

- Mechanical and automotive parts (carburetors, injectors and automotive assemblies)
- Firearms (rifle, hand gun and cartridges)
- Biomedical, Dental and Laboratory (equipment and tools)
- Jewelry
- Music, Hobby and More

All SharperTek Professional Grade Ultrasonic cleaners feature:

- Free Basket and Lid included
- Durable stainless steel tank construction
- Sweep, degas and normal frequency functions
- 2 Year Warranty and expert customer service
