The tool storage products you need delivered fast

Kennedy Manufacturing knows that sometimes you and/or your customers need tool storage products in a matter of days if not hours. That is why Kennedy Manufacturing developed the Kennedy Xpress program. With the

Xpress program, your Kennedy product will ship within 3 business days. The new Xpress catalog includes a selection of our most popular products, ready to ship when needed. Place your order today with the Kennedy Xpress program through your local Kennedy distributor and you can now be working instead of waiting.

Legal Limitations:

1. To ship within (3) three business days, all orders must be received by Kennedy customer service department by noon Eastern Time of the first business day. If not, the 3 day shipping clock will start on the next business day. Weekends/Holidays are not considered business days.

2. Limited to a quantity of 3 per part number of those items in the Xpress program.

3. Kennedy Xpress products are only available in the colors indicated. Product specifications and availability are subject to change without notice.

4. The Kennedy Xpress three day shipping program is a goal, not a guarantee on any/all orders/products placed under this program. All efforts will be made to contact you in the event that for some reason we cannot ship your order in 3 days.

For Pricing and Ordering, please contact a customer service representative at 1-800-413-8665 to obtain the location of your nearest authorized distributor.

Kennedy is established.

If you are the original purchaser of a new Kennedy product, then you are entitled to a LIFETIME limited warranty on that product. The LIFETIME limited warranty extends only to the repair or replacement of parts found upon Kennedy's examination to be defective in the material or workmanship of the manufacturer. This warranty does not cover products that are damaged through any misuse, accidental mishandling, neglect, or modification. The condition of this LIFETIME limited warranty covers parts only, not labor and only applies to the original purchaser of that product. Kennedy is not responsible for any incidental or consequential damages which may arise out of the purchase or use of any Kennedy product; and Kennedy's liability for any breach of warranty shall be limited to replacement of the defective part or parts as described above.

The Kennedy Factory moves to Van Wert, Ohio located on Jackson Street at the urging of local businessmen.

(August 3) World War One begins.

Industrial Hand-Carry Toolboxes

Our Industrial Hand-Carry Toolboxes are a great addition to any worksite, garage, or small business. Choose from a variety of designs that include drawers or a cantilever-style body. WIth a trusted and experienced brand name such as Kennedy, you're guaranteed the quality and performance you deserve.

Microsoft 1975 Microsoft founded by Bill Gates.

Industrial Mobile Versa-Bench [®] & Versa-Cart[®] Platform

The Industrial Mobile Versa-Bench @ & Versa-Cart@ Platform is an ideal organizational unit for any industrial worksite. These units feature many means of storage including drawers, cabinetry and also storage compartments to fit the needs of different equipment. Each unit comes with a standard floor lock for stationary use.

Model 4806B - 48" 6 Drawer Industrial Mobile Versa-Bench ®

- Brown Wrinkle Powder Finish
- · Ball-Bearing Slides on Each Drawer
- Pad Lockable Doors
- Rear doors cover two-shelf storage space and can be pad locked
- for extra security 8" x 2" Roller Bearing Phenolic Wheels
- · Add two casters and increase weight capacity to 5,400 lbs. caster capacity
- · Drawer units include lock and two
- keys
- 1/8" Steel Work Surface

Toolboard Accessories

Hooks, clips, and toolholder accessories are industrial grade, zinc-plated heavy steel and lock on to panels to prevent the accidental removal of tools. Bright, zinc-plated heavy steel toolholders won't come off when tools are removed. Positive-lock system secures toolholders in place anywhere on panels.
