WAIT
AGAIN**

JUPITER
BEYOND SERVICE

World-class CNC Machine Tools
Industry-leading Thunderbolt Service
Augmented Reality Engineering

CHOOSE WISELY CHOOSE JUPITER

Jupiter blends bleeding-edge technology with deep industry experience to deliver total manufacturing solutions wherever and whenever you need them.

Jupiter stands alone in its ability to provide a constellation of advanced manufacturing support services:

Alignment

CAD Design

Certification

CMM Examination

CNC Installation

CNC Sales

Cutting Tools

Fixture Design

Process Analysis

Programming

Rebuilds

Relocation

Retrofits

Service

Training

Upgrades

Don't get caught on the outside of innovation looking in.

Augmented Reality Engineering

Diagnostic and instructional operations data delivered right to your vision via the latest hands-free, wearable technology developed by Jupiter.

Technology

Upgrade, enhance, and accelerate your production with Jupiter's automation team.

Engineering

Relocate, rebuild, realign or simply repair any make, any model, anytime.

Experience

Jupiter's experts have decades of experience across all aspects of modern manufacturing.

Thunderbolt Service

Jupiter's unique *Thunderbolt Service* system uses Direct Reality smart-wear technology to provide immediate technological support anywhere in the world.

NEVER WAIT AGAIN

The Future of Manufacturing

Global interconnectedness is accelerating daily. Companies face more international competition than ever before. Quality talent is harder and harder to find. If you're not advancing, you're falling behind.

Don't just survive, *thrive*. Jupiter can show you how.

Develop and grow your manufacturing enterprise by implementing the latest advances across industries.

Maximize the productivity and efficiency of your existing operations through first-class engineering and service.

Jupiter's Expansive Line of World-class CNC Machine Tools

Embrace the **Future of Manufacturing**

Harder. Better. Faster. Stronger.

Jupiter makes sure you're ready for whatever challenges appear.

We're never satisfied until you are and we never leave a job unfinished.
