

ELECTRONIC CALIBRATION

At Fox Valley Metrology, we have the technical expertise to calibrate almost every make and model of electronic test and measurement equipment. Our **ISO/IEC 17025 accredited** lab has a strong team of technicians possess decades of experience in electronic instrument calibration. This combination, along with utilizing the most rigorous calibration standards available, ensures accurate, reliable and repeatable measurements - giving you the utmost confidence in your equipment.

CAPABILITIES

Accelerometers	Function Generators	RF Equipment
Ammeters	Glass Thermometers	Scopometers
Analog Power, Volt, Ohm & Amp Meters	Hygrometers	Shunts
Cable Tensiometers	Hypot Testers	Signal Generators
Capacitance Meters	IR Thermometers	Solder Irons & Pots
Conductance Meters	LCR Meters	Sound Level Meters
Conductivity Meters	Meggers	Stop Watches
Current Probes	Oscilloscopes	Strip/Chart/XY Recorders
Data Loggers	Oven Temperature Controllers	Stroboscopes
Decade Resistors	Oven Surveys	Tachometers
Digital Multimeters	Panel Meters	Thermocouples & RTD Probes
ESD Simulators	pH Meters	Thermometers & Temperature Controllers
Digital Readouts	Power Supplies	Viscometers
Fiber Optic Equipment	Profilometers	Watt Meters
Film Thickness Gages	Resistors	Zahn Cups
Frequency Counters		

FOX VALLEY METROLOGY ADVANTAGE

Fox Valley Metrology is a partner to the Quality Assurance Departments of thousands of organizations worldwide. Every day, we increase our partner's profits through many value added benefits, such as:

- **Supporting lean management initiatives.** By offering calibration, repair and new gage sales services all under one roof, we are a single-source partner providing comprehensive coverage over the life cycle of all your equipment.
- **Slashing production downtime.** We provide an industry-leading 3-5 day turnaround time.
- **Eliminating unnecessary administrative tasks.** With Metrology360, our free online gage management software, all your equipment data is tracked automatically.

When you choose to partner with Fox Valley Metrology, you are choosing to partner with a company committed to the success of your team. Visit our website at www.FoxValleyMetrology.com or contact your local sales representative today to learn more about our electronic equipment calibration services and see how this partnership can benefit you.
