Titan Gilroy

Special offer for Academy Small Groups

Dear Small Group Hosts,

TITANS of CNC knows the importance of the right coolant. In their Coolant 101 tutorials you can learn about the importance of water quality, how to mix and monitor your coolant, the many different types of coolant, and much more.

Save with this special offer so that you can put into practice what TITANS of CNC shows you in their tutorials.

TITANS
of CNC

ACADEMY

Save up to \$1500

Liquid Tool Starter & Maintenance kit for \$567:

Blaser Minimix for precise mixing of coolant
