YEAR-END CLEARANCE SALE

AVAILABLE UNTIL SUPPLIES RUN OUT!

TAKE ADVANTAGE OF TAX SAVINGS BY PURCHASING MACHINES TODAY!

YEAR-END CLEARANCE SALE

[VIEW PROMOTIONS](#)

NOV- DEC 2024

- Take advantage of our Year-End Inventory Clearance and save up to **60%** on selected machine models!
- *Enjoy savings of up to **\$83,360** on our CNC machines.
- *All products are in stock for immediate delivery.
- *Save nearly **30% on taxes** by purchasing your machines before December 31, 2024. Don't miss out on these incredible deals!

SHARP 'S NOVEMBER SPOTLIGHT

Sharp Industries and SpaceX: Powering Space Exploration Together

Sharp Industries is proud to play a part in SpaceX's groundbreaking journey of sending humans and cargo into space. Our machines have been integral in supporting the manufacturing processes that fuel SpaceX's innovative space exploration efforts. The partnership began with an initial order for a wide range of equipment for SpaceX's Hawthorne, CA headquarters, including CNC Vertical Mills, small and large Vertical Knee Mills, Ultra Precision Lathes, Tool Room Lathes, Surface Grinders, and a Radial Drill Press.

As SpaceX's needs expanded, so did their reliance on Sharp machines. SpaceX's new facility in Bastrop, Texas, also began ordering our products, underscoring the value they place on our equipment. This location also ordered a broad range of equipment from Sharp Industries that included **surface grinders (SG-618)**, **semi-automatic miter bandsaws (SW-100H)**, **knee mills (TMV/DVS MP-3 CNC Knee Mill with an ACU-RITE G-2 Control and LMV 42")**, **heavy-duty vertical mills (V-1)**, and **variable speed lathes (1660LV)**.

In total, over the past two years, Sharp Industries has supplied SpaceX machines across most of the machine tool categories in our line including—grinding, milling, turning, and sawing. SpaceX's continued selection of our most popular models highlights their confidence in our machinery, and as we enter another year of collaboration, we are excited to further contribute to SpaceX's ambitious space exploration goals. Sharp remains committed to producing top-tier equipment to support the future of aerospace and beyond.

SAVE BIG WITH THE SECTION 179 TAX CREDIT

How Much You Can Save?

Up to **35%** tax Savings!!!

Don't miss out on Sharp Industries' Year-End Clearance and the opportunity to maximize your savings through the Section 179 Investment Tax Credit!

If you purchase and have your machine tools shipped by the end of 2024, you may be eligible for the Section 179 tax deduction.

2024 Section 179 Example Calculation	
Equipment Purchases:	\$ 1,300,000
First Year Write Off: <small>(\$1,220,000 maximum in 2024)</small>	\$ 1,220,000
60% Bonus First Year Depreciation: <small>(phased reduction to 60% via 'Tax Cuts and Jobs Act')</small>	\$ 48,000
Normal First Year Depreciation: <small>(Bonus Depreciation taken instead)</small>	\$ 0
Total First Year Deduction: <small>(\$1,220,000 + \$48,000 + 0)</small>	\$ 1,268,000
Tax Savings: <small>(cash you keep instead of sending to the IRS)</small>	\$ \$443,800
Equipment cost after Tax Savings: <small>(assuming a 35% tax bracket)</small>	\$ 856,200

Why Buy Now?

- Immediate Tax Savings: Reduce your tax bill with a big deduction.
- Upgrade Your Shop: Get the latest Sharp machines at clearance prices.
- Limited Time Offer: Take advantage of year-end discounts and tax incentives before time runs out.

Eligible Machines for Section 179

Sharp Industries offers a wide range of high-performance machines eligible for the Section 179 deduction, including:

- CNC Vertical Mills
- Tool Room Lathes
- Surface Grinders
- Vertical Knee Mills
- Precision Lathes ...and many more!

Act Now Before It's Too Late!

The clock is ticking—make sure your equipment is purchased and shipped by December 31, 2024, to take full advantage of the Section 179 deduction. Contact our sales team today to learn more about our clearance deals and to secure your order before year-end.
