

TOOL-UP YOUR CNC

TOOLING
CERTIFICATES

MAKE ORDERING EASIER • ORDER USING Part# **CERT-HPE**

Tooling Certificates are a nice value-added option that allows tooling decisions to be made when the new machine is ready to run.

- Buy a certificate of any value at your discounted price.
- We will provide a credit in our system for the list price.
- We will work with your customer to help them find the tooling they need, when they need it.
