

Amada Support Program

PROGRAM DETAILS:

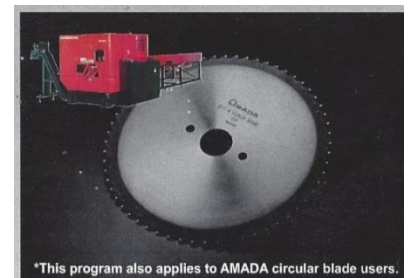

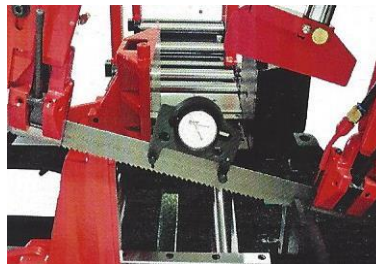

Customers buying Amada blades averaging \$2,000 per month or have 5 or more band saws receive:

- Free quarterly inspections on their saws.
- 30% discount on genuine Amada saw parts.
- 30% discount from Amada service charges.

Customers buying Amada blades and averaging less than \$2,000 per month receive:

- 30% discount on genuine Amada saw parts.
- 30% discount from Amada service charges.
- One free inspection at customer's request.

The technical consultant will begin by performing a 10 point inspection and an evaluation of your band saws. The technical consultant will make minor adjustments, and provide you with a report of service required and who you need to contact to schedule this service. The goal of AMADA'S Support Program is to minimize down time due to preventable breakdowns and to assure that your bandsaws are operating to peak performance.
