Simple

Zero-Collet™ design eliminates the collet by either a one-time press fit for consumable tools or a locking nut design for reusable tools.

Reliable

Made in the USA and designed for safety and durability.

Economical

Lean manufacturing and direct to market sales combine to deliver best-in-class

Press-Fit design is ideal for single use tools.

- Simple single piece design.
- Sizes to accommodate 3/32", 1/8", and 1/4" tool posts.
- Available in 6", 12", and 18" lengths.
- Available in mild and stainless steel.
- Vented for safety.

Lock-Nut design is perfect for reusable tools.

- Simple two-piece design.
- Sizes to accommodate 1/8" and 1/4" tool posts.
- Available in 4", 6", 12", and 18" lengths.
- Available in mild and stainless steel.
- Wrench flats provided for safety and quick tool changes.
