X3 ProStock

- Dimensions
 - 16.5" H x 30" W x 30" D
 - Empty weight is 150 pounds

Benefits

- Automated ordering based on min/max
- AHB hosts the database so there are no server costs associated
- Database backups are performed every 4 hours to a cloud based service so your data is safe
- Modular in design so additional X3's can be connected at any time
- X3 unit can be purchased with a standard base, a storage base or no base at all
- Authentication can take place via the touchscreen or by scanning your existing badge/proximity card
- Can be used to manage items in external cribs or storage areas
- Customizable bin sizes to adjust to your items
- Each X3 ProStock can hold up to 112 different items (56 per carousel)
- Wired network connection is preferred but wireless is an option
