SECURA ⊙ SMART

TRANSFORMING THE WAY INVENTORY IS DONE

Less Time Clicking… More Time Selling!

VENDING EQUIPMENT & STOREROOM

SECURASMART WEB PORTAL

SECURASMART SOFTWARE PLATFORM

DESKTOP ACCESS

MOBILE APP
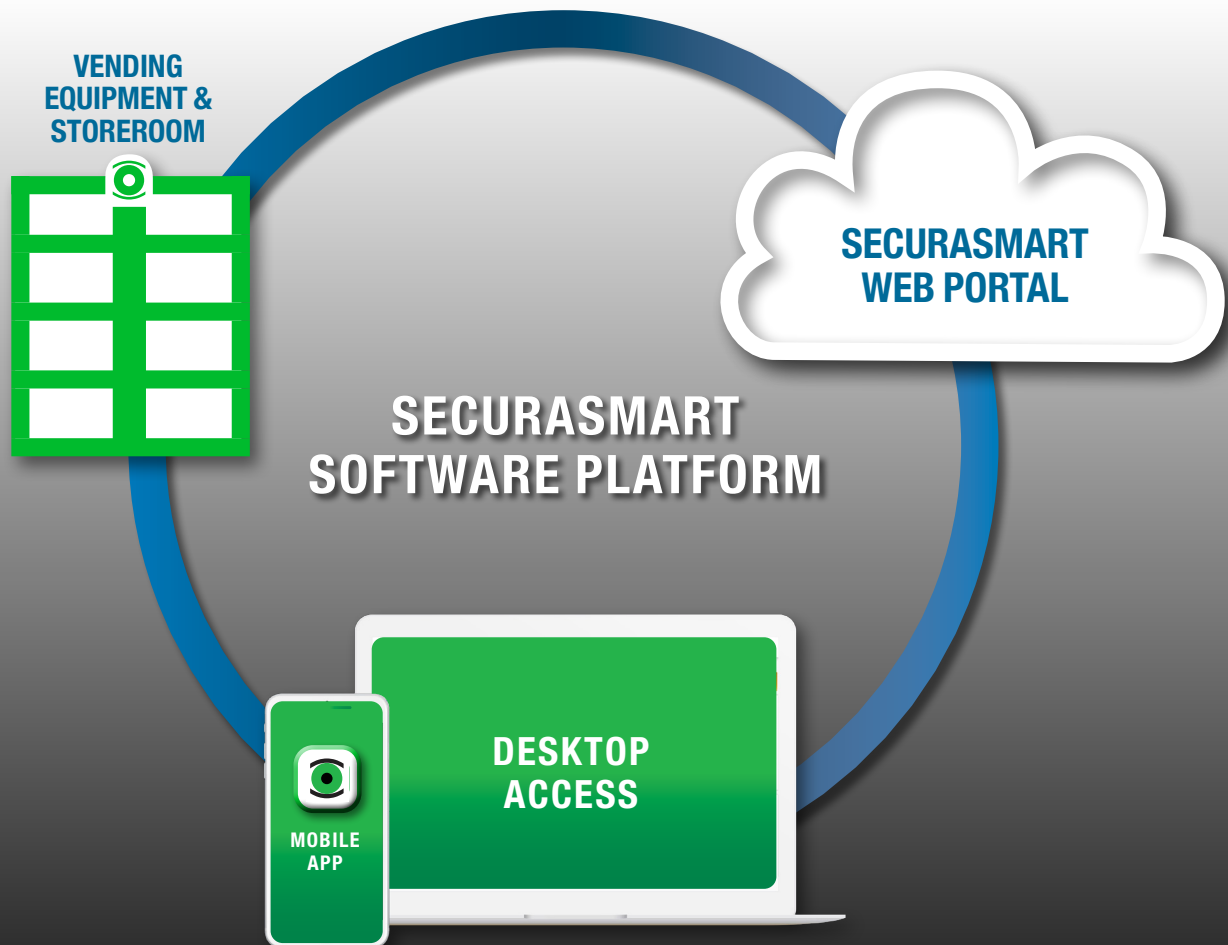

SIMPLE
Intuitive, easy to use user interface allows you to quickly control your inventory at your desk or on the go. Consolidated single sign-on dashboard. Designed with distributors' field personnel in mind.

SMART
Intelligent software technology platform saves you time by leveraging machine learning, advanced imaging technology, QR code quick links, bar code scanning, and more.

SECURE
Fully encrypted communication, tested by third parties to be impenetrable. Perfect cyber security track record. Your inventory data is saved locally at the machine and synchronized with our cloud portal, using outbound communication only.
