ISO Certified      customerservice@ahbinc.com

**Give me your tired,  
your poor, your rusty  
centers yearning  
to turn free.**

**Riten can repair  
and rebuild  
anyone's center  
for a fraction of  
the cost of a  
new one.**

# Riten's Repair and Trade-In Program Saves You Money

## Riten Repairs 97% of Centers Received Including Competitor Centers

- Riten standard live and dead centers are repaired at 40% of the cost of a new center

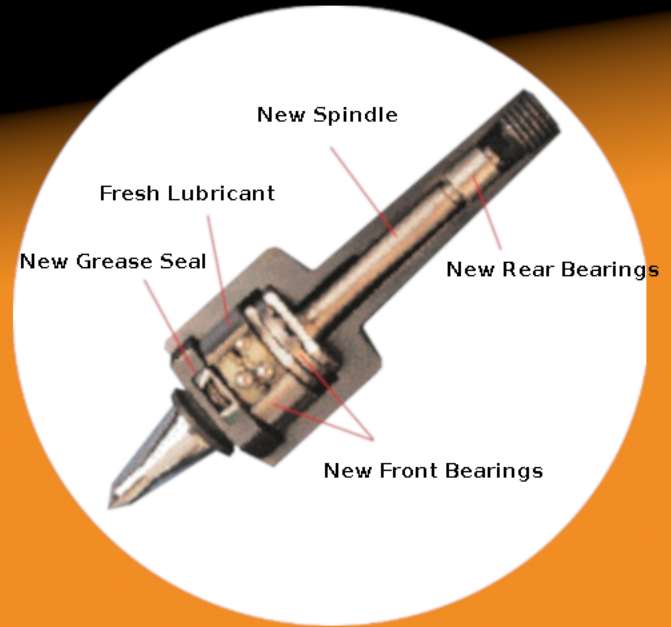

- All rebuilt centers:

- ◆ are restored to their original accuracy

- ◆ receive the same factory warranty

- Riten has an average turnaround of 2 weeks on standard repairs

- Trade-in allowance of up to 35% for non-repairable live centers
