

Unlock Big Savings on Presetters Before the End of the Year

Take advantage of Section 179 tax benefits when you purchase a presetter and put it into service before December 31. Now is the time to upgrade your workflow and reduce taxable income.

Why Invest in a Presetter?

- Reduce setup time and improve spindle uptime
- Increase accuracy and repeatability across jobs
- Strengthen process control and reduce scrap
- Lower total operating costs with more efficient tool management
