## Why Buy Now?

- Immediate Tax Savings: Reduce your tax bill with a big deduction.
- Upgrade Your Shop: Get the latest Sharp machines at clearance prices.
- Limited Time Offer: Take advantage of year-end discounts and tax incentives before time runs out.

## Eligible Machines for Section 179

Sharp Industries offers a wide range of high-performance machines eligible for the Section 179 deduction, including:

- CNC Vertical Mills
- Tool Room Lathes
- Surface Grinders
- Vertical Knee Mills
- Precision Lathes ...and many more!

## Act Now Before It's Too Late!

The clock is ticking—make sure your equipment is purchased and shipped by December 31, 2025, to take full advantage of the Section 179 deduction. Contact our sales team today to learn more about our clearance deals and to secure your order before year-end.

✓ SECTION 179 Eligible

#### WHAT MAKES IT THE BEST KNEE MILL ON THE MARKET

- SERVO MOTOR DRIVE – Drive features an 8.5 kW spindle motor (equivalent to 11 HP), delivering increased productivity through the ability to take larger depths of cut in milling, drilling, boring, and tapping applications.
- INCREASED POWER – 8 kW spindle motor (equivalent to 11 HP)
- SMART CONTROL – Digital display with dial speed adjustment
- LOAD METER – Real-time spindle power monitoring
- POWER DRAW BAR – The machine is equipped with a standard power drawbar, allowing for quick and effortless tool changes.
